Attendees (sites)

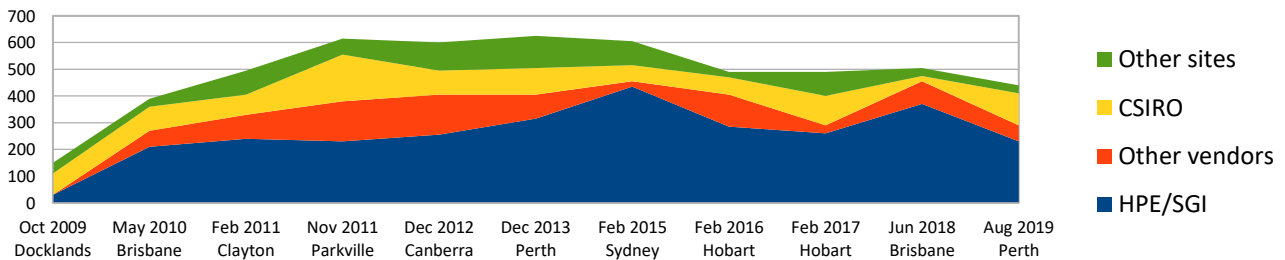

Attendees (people)

Presentations (number)

Presentations (minutes scheduled)

Updated 2 Sep 2019

NOTES:

October 2009 was a single day, the others were two
 November 2011 clashed with the eResearch conference
 Fractional sites are at multiple locations, some local and some not

DMF Users Group Meeting Stats

Tours, general discussions and site reports not counted as presentations

“Ask SGI” and videos counted as SGI presentations

Pawsey Supercomputing Centre is listed separately from CSIRO
